EXPERIENCE

Attendant
Water Works Car Wash - Prospect, KY
June 2019 to July 2021
- Maintained working equipment
- Enforced clean site standards
- Integrated the cataloguing and bookkeeping of monthly wash plans to ensure thorough organization
- Promoted sales and encouraged monthly membership programs, increasing membership account total by average of five per month

Department Manager
Walmart - Crestwood, KY
October 2018 to October 2019
- Ensured ample inventory and in stock on a daily basis
- Anticipated and projected business flow weekly, leading to an increase in productivity
- Upheld department standards with overall company regulations to consistently pass company audits

Fresh Associate
Walmart - Crestwood, KY
May 2017 to October 2018
- Received and processed freight from daily inventory intake to ensure constant and complete customer product availability

Assistant Store Manager
Taco Bell - Crestwood, KY
2016 to May 2017
- Promoted to position within a year of previous promotion to shift leader
- Perpetuated proper inventory accountability through frequent audit and ordering processes
- Frequently prepared, processed, and audited cash on hand and drawer/safe maintenance
- Lead by example; never expected anything of an associate that you would not be able to perform yourself
